FLAIR SYSTEM

Un'unica struttura di appoggio coordinabile ai quattro lavabi della collezione Cartesio; può essere montata a dx o sx a seconda del lavabo installato. La struttura è disponibile in due finiture, bianco e nero matt, con relativo top in marmo nello stesso tono (marquinia o carrara). Sul piano di marmo non è possibile installare la rubinetteria.

One special dedicated structure that can be matched with the four basins of Cartesio collection; it can be used for a left or right installation depending on the washbasin on top. The structure comes in two finishes, matt black and matt white, also with the matching marble top (marquinia or carrara). On the marble top a faucet cannot be installed.

ATTENZIONE!
Quando siliconate la base del lavabo scelto e lo incollate sul top (step 6), fate riferimento alle indicazioni delle quote riportate qui accanto per ogni modello.

WARNING!
Put the silicone on the base of the selected washbasin and paste it on top (step 6), referring to the indications of the dimensions shown here for each model.
